**Live demo
in Berlin
Westhafen**

Experience the future of
automated charging!

**November 14th, 2024 in Berlin (Mercure Hotel MOA)
10 a.m. - 3 p.m. (open end)**

Supported by:

on the basis of a decision
by the German Bundestag

**We invite you to shape the future
of logistics with us.**

Discover how our innovative **automated charging infrastructure** is revolutionizing the operation of trucks and the entire logistics sector. Get to know our **underbody charging system** – an automated, space-saving and safe charging solution for e-trucks. You will also gain exclusive insights into the world of **power electronics and charging technology** as well as the technical challenges that drive our developments. Join us on this exciting journey into a sustainable future.

Presentations and networking opportunities

- Project MEGA-LADEN (Fraunhofer IVI)
- Underbody charging (Schunk GmbH)
- Power electronics (SBRS GmbH)
- Electromobility and automation in commercial vehicles (MAN Truck & Bus SE)
- Electric logistics operations (MC Management GmbH)

Live demo in Westhafen

- Presentation of the individual technologies
- Up-close experience of automated charging
- A look behind the scenes
- Q&A
